

STUDENT WILDLIFE TECHNICIANS

Center for
Environmental
Management

MILITARY LANDS

COLORADO STATE UNIVERSITY

POSITIONS

The Center for Environmental Management of Military Lands (CEMML) is hiring two student hourly Wildlife Technicians to work with its growing group of environmental professionals on the Colorado State University (CSU) campus. These positions are part-time with flexible schedules and hours. Working remotely is a possibility. These positions offer exposure to a variety of projects and careers in natural resources and the opportunity to work with unique data sets.

ORGANIZATION

CEMML is a research, education, and service unit within the Warner College of Natural Resources at CSU. CEMML applies the latest and most appropriate science to promote sustainable management of natural and cultural resources on Department of Defense and other public lands. We provide technical support, conduct applied research, and offer career development and learning opportunities to support resource stewardship. We collaborate with our sponsors and within CSU to resolve complex environmental issues, leaving a legacy of science-based decisions that sustain our resources for future generations.

To learn more about CEMML's contributions to land management, our mission, vision, and values, please visit <http://www.cemml.colostate.edu/>.

RESPONSIBILITIES

The Wildlife Technicians will be responsible for analyzing photographs collected from remote game cameras. The Technicians will catalog data from the images (such as date, time, and species present) and enter the data into an existing databases. Technicians will also be responsible for maintaining the databases and performing simple data queries. The ideal candidates will be organized, able to work independently to meet deadlines, and possess clear written and verbal communication skills. The positions will last through April 2022, with the possibility of extension, depending on future funding.

MINIMUM QUALIFICATIONS

The successful candidate must meet the minimum qualifications listed below.

- Undergraduate or graduate admitted for enrollment as a regular certificate/degree-seeking student at CSU Fort Collins and carrying at least one Registrar's credit per term during the academic year
- Pursuing an undergraduate or graduate degree in Natural Resources Management, Wildlife Sciences, Ecology, or a related field
- Ability to pass a background check
- Authorized to work in the United States; as demonstrated through ability to complete an I-9 form upon hire

DESIRABLE QUALIFICATIONS

Desired qualifications include are as follows.

- Availability to work at least 8 hours/week.
- Experience visually identifying mammal, avian, and reptile species

BACKGROUND CHECK

CSU is committed to providing a safe and productive learning and living community. To achieve that goal, we conduct background investigations for all final candidates being considered for employment. Background checks may include, but are not limited to, criminal history, national sex offender search, and motor vehicle history.

CSU COVID-19 VACCINATION POLICY

Beginning Monday, August 16, 2021, Colorado State University has mandated vaccinations against COVID-19. Faculty and staff are required to submit their vaccine status or declare an exemption. More information about the vaccination mandate can be found on the CSU COVID-19 Information & Resources site at <https://covid.colostate.edu/pandemic-preparedness-team-broad-guidance-for-all-summer-and-fall-2021-activities/>.

PAY RATE

Pay rate is \$15/hour.

APPLICATION

For full consideration, apply no later than September 30th, 2021. To be considered, applicants must meet the minimum qualifications listed in this announcement. Please note that incomplete applications will not be reviewed. Please remove social security numbers and birthdates from application materials. A complete application consists of the following items.

- 1) Resume
- 2) Transcripts (for each degree earned or being pursued among those listed under qualifications)

Applicants should send application materials to christi.gabriel@colostate.edu.

CSU does not discriminate on the basis of race, age, color, religion, national origin or ancestry, sex, gender, disability, veteran status, genetic information, sexual orientation, or gender identity or expression. CSU is an equal opportunity/equal access/affirmative action employer fully committed to achieving a diverse workforce, and it complies with all federal and Colorado state laws, regulations, and executive orders regarding non-discrimination and affirmative action. The Office of Equal Opportunity is located in 101 Student Services.

Reflecting departmental and institutional values, candidates are expected to have the ability to advance the Department's commitment to diversity and inclusion.
