

Light and Heavy Equipment Maintenance/Mechanic - hourly position

POSITION

A Light and Heavy Equipment Maintenance/Mechanic position is available with Colorado State University (CSU) and the Center for Environmental Management of Military Lands (CEMML), and will be located at Schofield Barracks, Hawaii.

ORGANIZATION

CEMML is a research, education and service unit within the Warner College of Natural Resources at CSU. CEMML applies the latest and most appropriate science to promote the sustainable management of natural and cultural resources on Department of Defense (DoD) and other public lands. We provide technical support, conduct applied research, and offer career development and learning opportunities to support resource stewardship. We collaborate with our sponsors and within CSU to resolve complex environmental issues, leaving a legacy of science-based decisions that sustain our resources for future generations.

To learn more about CEMML's contributions to land management, our mission, vision, and values, visit <http://www.cemml.colostate.edu/>.

RESPONSIBILITIES

Work efforts include:

- Perform mechanical services and repairs on light equipment (weedwackers, chainsaws, etc) and on heavy equipment (including dozers, trucks, tractors, graders, rollers, excavator, etc.).
- Perform routine maintenance tasks necessary to keep machinery, equipment and tools in good working condition such as inspecting, greasing, cleaning equipment, maintaining fluid levels and performing related tasks

QUALIFICATIONS

Minimum requirements include—all must be met to be considered:

- At least 3 years of mechanic experience on light and heavy equipment
- Have or be able to obtain a valid driver's license
- Physically able to work outdoors and perform strenuous labor under all weather conditions
- Be able to lift 50 pounds repeatedly
- Ability to follow directions
- Ability to work alone as well as collectively with others as a team
- Able to maintain safe working standards
- The successful candidate must be eligible to work in the United States by proposed start date. CEMML will not provide visa sponsorship for this position.
- Must have a valid driver's license or the ability to obtain a driver's license by the employment start date. Must maintain a valid driver's license and meet CSU standards for driving throughout the course of employment.

Preferred qualifications include, any or all of the following:

- Experience operating heavy equipment such as a dozer, loader, roller, excavator and compactor
- Experience operating heavy equipment to maintain, repair and improve land, trails and roads
- Knowledge and experience repairing, maintaining and reconfiguring land in vegetation management and soil stabilization treatments
- Knowledge and experience with small tree/brush removal and gravel, aggregate and rip rap application
- Experience working on a military installation
- Valid CDL/standard
- Able to operate a dump truck (requires a Class A CDL)

PAY RATE and DURATION

\$25-\$30; pay rate is dependent on experience and qualifications. Work is for one, possibly two months. Potential for long-term, salaried employment with benefits if future project funding is available. Housing, per diem and moving expenses are not provided.

BACKGROUND CHECK

Colorado State University strives to provide a safe study, work, and living environment for its faculty, staff, volunteers and students. To support this environment and comply with applicable laws and regulations, CSU conducts background checks. The type of background check conducted varies by position and can include, but is not limited to, criminal history, sex offender registry, motor vehicle history, financial history, and/or education verification. Background checks will also be conducted when required by law or contract and when, in the discretion of the University, it is reasonable and prudent to do so.

APPLICATION

Email each of the items below individually as a Word Document (.doc), PDF (.pdf), or Rich Text Format (.rtf) to cemml_seasonal@mail.colostate.edu. Applications will be accepted until the position is filled. Please note that incomplete applications cannot be considered. Please remove social security numbers and birthdates from application materials.

A complete application consists of:

- 1) Statement of Qualifications (letter addressing each qualification described in announcement as well as list of equipment experience)
- 2) Resume (provide business information, point of contact, responsibilities, dates)
- 3) Three references (contact information for professional references including at least one supervisor, references will not be contacted without prior notification of candidates)

DIVERSITY STATEMENT
