LOCATION

Fort McCoy is a United States Army installation on 60,000 acres between Sparta and Tomah, Wisconsin in Monroe County. Located about 30 miles east of La Crosse, Wisconsin, this region contains a mix of rolling wooded hills, oak/jack pine savannas, and prairies. This ecological region, known as the Driftless Area, contains numerous rare species of both plants and animals and is truly a unique habitat.

RESPONSIBILITIES

- Employee will be part of a field crew that will perform the following tasks:
 - Majority of workload will be controlling invasive plant species by chemical, manual, and biological methods.
 - Operate backpack sprayers and utility terrain vehicles with broadcast/hand sprayers.
 - Preparation, transport, and maintenance of spraying equipment.
 - Conduct invasive and native plant species surveys.
 - Record data associated with treatments and surveys.
 - Database management and data entry corresponding to field activities.
- Secondary tasks may include:
 - Wildlife species population surveys and monitoring.
 - Habitat management projects for game, non-game, and threatened and endangered species.
 - Prescribed fire field crew if qualified – (see qualifications).
 - Assist with Fort McCoy hunting seasons, game registration, and harvest data collection.

PHYSICAL REQUIREMENTS

Candidates must be able walk over uneven terrain and work in inclement weather. The position will require bending, climbing, and lifting/carrying up to 30 pounds through the use of a 4-gallon backpack sprayer on a regular basis. Safe operation of UTVs for extended periods will be an integral part of this position.

MINIMUM QUALIFICATIONS

High school diploma or higher level of education. Successful candidates must demonstrate U.S. employment eligibility; CEMML will not provide visa sponsorship for this position. Possession of a valid driver's license. Obtain or have the ability to obtain a Wisconsin Forestry or Right of Way herbicide applicator's license (CEMML will pay for study materials and exam to obtain this license). Knowledge of central Wisconsin flora. Aerial photo interpretation skills. Experience with Microsoft Office (Word, Excel, and Access). Ability to work well alone and within a crew setting is extremely important to this position.

DESIRABLE QUALIFICATIONS

State of Wisconsin Pesticide Applicator's License in either Forestry or Right-of-Way (preferred). Wisconsin wildlife species and native/non-native/invasive plant species identification skills. Compass navigation/orienteering skills. Experience using chainsaws and other power tools. Off-road UTV vehicle use. Wildland Firefighter Type 2 (FFT2) Certification: IS-700/LS-100/S-130/S-190/L-180.

WORK HOURS

Applicants should expect to work up to 40 hours/week Monday-Friday. The possibility exists for a 40 hours/week Monday-Thursday schedule. Shortened work weeks due to inclement weather may be made up on weekends or on Fridays (if on Monday-Thursday schedule). Limited weekend work may be required.

HOUSING

Housing is not provided but may be available at a reasonable rate on Fort McCoy. Rentals are available in the nearby Sparta, Tomah, West Salem or La Crosse area. For more information, contact Rikki Ratsch at (715) 650-7246.

BACKGROUND CHECK
