

# STUDENT WILDLIFE TECHNICIANS

Center for  
Environmental  
Management

MILITARY LANDS

COLORADO STATE UNIVERSITY

## POSITIONS

The Center for Environmental Management of Military Lands (CEMML) is hiring three student hourly Wildlife Technicians to work with a growing group of environmental professionals on the Colorado States University (CSU) campus. These positions are part-time (20 hours/week) with flexible schedules and work location. These positions offer exposure to a variety of projects and careers in natural resources and the opportunity to work with unique data sets.

## RESPONSIBILITIES

The Wildlife Technicians will be responsible for analyzing photographs collected from remote game cameras. The Technicians will catalog data from the images (such as date, time, and species present) and enter the data into existing databases. Technicians will also be responsible for maintaining the databases and performing simple data queries. The ideal candidates will be organized, able to work independently to meet deadlines, and possess clear written and verbal communication skills.

## MINIMUM QUALIFICATIONS

- Undergraduate or graduate admitted for enrollment as a regular certificate/degree-seeking student at CSU Fort Collins and carrying at least one Registrar's credit per term during the academic year.
- Pursing an undergraduate or graduate degree in Natural Resources Management, Wildlife Sciences, Ecology, or a related field.
- Ability to pass a background check.
- Authorized to work in the United States; as demonstrated through ability to complete an I-9 form upon hire.

## DESIRED QUALIFICATIONS

- Availability to work 20 hours/week.
- Experience visually identifying mammal, avian, and reptile species

## PAY RATE AND EMPLOYEMENT TERM

Pay rate is \$18/hour. The positions will last through August 2022, with the possibility of extension, depending on future funding.

## WORK LOCATION

Students will be permitted to work remotely (e.g. from home), but regular travel to CSU Fort Collins is required.

## APPLICATION REQUIREMENTS

For full consideration, apply no later than **30 June 2022**. To be considered, applicants must meet the minimum qualifications listed in this announcement. A complete application consists of the following items:

- 1) Resume
- 2) Unofficial transcripts (for each degree earned or being pursued among those listed under qualifications)

Incomplete applications will not be reviewed. Please remove social security numbers and birthdates from application materials.

Applicants should send clearly-labeled application materials to [christi.gabriel@colostate.edu](mailto:christi.gabriel@colostate.edu).

## **ORGANIZATION**

CEMML is a research, education, and service unit within the Warner College of Natural Resources at CSU. CEMML applies the latest and most appropriate science to promote sustainable management of natural and cultural resources on Department of Defense and other public lands. We provide technical support, conduct applied research, and offer career development and learning opportunities to support resource stewardship. We collaborate with our sponsors and within CSU to resolve complex environmental issues, leaving a legacy of science-based decisions that sustain our resources for future generations.
