COLORADO STATE UNIVERSITY

Early-career Development Program

Environmental Compliance Technician

Discipline: Environmental Compliance

Installation: U.S. Army Garrison Hawai'i

Location: Schofield Barracks, O'ahu, Hawai'i

of Positions Available: 1

Duration: NTE 10 weeks, part-time

Hourly Pay/Position Type: \$25/hour/Non-Student Hourly

Desired Start Date: June 2025

Position Summary

One Environmental Compliance Technician (Seasonal Worker, Part-time, 20-30 hours/week) position is available with the Colorado State University (CSU) Center for Environmental Management of Military Lands (CEMML) Early-career Development Program (ECDP). This will be a 10-week part-time internship with the CEMML team at U.S. Army Garrison Hawaii and US Army Garrison Pohakuloa Training Area (PTA). The internship will include a rotation with CEMML staff in the different environmental programs in which we provide support to the Directorate of Public Works.

Potential duties may include, but are not limited to the following:

- Support to assess compliance with the following regulations/programs:
 - Resource Conservation and Recovery Act
 - Clean Water Act/National Pollutant Discharge Elimination System (NPDES)
 - Clean Air Act/ Safe Drinking Water Act
 - Recycling/Pollution Prevention
 - Spill Prevention Control and Countermeasures
 - Aboveground/Underground Storage Tanks
 - Lead Based Paint/Asbestos Management
 - GIS
 - Endangered Species Act
 - National Historic Preservation Act
- Site inspections, field data collection, data entry, regulatory research.
- Writing and editing technical reports
- Community outreach, volunteer coordination, and/or public education

- Wildlife, vegetation, invasive species, threatened/endangered species, habitat restoration surveys and/or management

Minimum qualifications:

- Must be a current student seeking a degree in an environmental science-related field with at least have a junior standing or a recent graduate from a related degree program, with one year or less experience.

Installation/Location Summary

U.S. Army Garrison Hawaii provides quality services, installation facilities, training and recreational centers to nearly 100,000 Soldiers, civilians and family members stationed on the islands of Oahu and Hawaii. This position is located at Schofield Barracks, Oahu, Hawaii but will require travel to other US Army Garrison HI installation on the islands of Oahu and Hawaii. Housing will not be provided.

About CEMML

The Center for Environmental Management of Military Lands (CEMML) at Colorado State University provides environmental management expertise to military installations and other federal properties across the continental U.S., Alaska, Hawaii, and overseas.

- Long track record of supporting military readiness and resource conservation—since 1985.
- Global reach with more than 700 staff embedded at more than 90 Department of Defense installations and other federal sites.
- Comprehensive experience in the development and implementation of cooperative agreements, grants, and contracts; more than \$100 million in projects each year.

About CEMML's Early-Career Development Program

CEMML's ECDP provides students, recent graduates, and early-career professionals the opportunity to learn more about land management in the military and federal lands context. ECDP positions are the perfect opportunity to build connections, be mentored, and gain hands-on experience. Working under the guidance of seasoned natural or cultural resource professionals, participants learn practical applications and techniques. Participants contribute to conservation efforts and increase their understanding of the regulatory framework and the complexities of managing natural and cultural resources.
