MILITARY LANDS

COLORADO STATE UNIVERSITY

LRAM Commercial Driver (CDL) *Pohakuloa Training Area, HI*

POSITION SUMMARY

An Hourly LRAM Commercial Driver (CDL) position is available at Pohakuloa Training Area, HI with Colorado State University (CSU) and the Center for Environmental Management of Military Lands (CEMML). The position is located in Pohakuloa Training Area (PTA), HI. These positions cannot exceed 9 months, but opportunities for permanent positions may become available during or after a temporary assignment. These positions are contingent on continued project funding at PTA. Remote work is not allowed for this position.

The position will provide Land Rehabilitation and Maintenance (LRAM) support for US Army Garrison (USAG) Hawaii at PTA. This position will operate wheeled loader, dump trucks and water trucks for the purpose of completing LRAM projects. Primary functions are soil stabilization and vegetation management on Army lands. This position will also require operational maintenance and inspections of all equipment for operational readiness and safety, tracking and preparing weekly progress reports.

Work will be on-site at PTA, Hawaii.

ORGANIZATION

CEMML is a research, education, and service unit within the Warner College of Natural Resources at CSU. CEMML applies the latest and most appropriate science to promote the sustainable management of natural and cultural resources on Department of Defense (DoD) and other public lands. We provide technical support, conduct applied research, and offer career development and learning opportunities to support resource stewardship. We collaborate with our sponsors and other CSU departments to resolve complex environmental issues, leaving a legacy of science-based decisions that sustain our resources for future generations.

To learn more about CEMML's contributions to land management, our mission, vision, and values, please visit cemml.colostate.edu.

REQUIRED JOB QUALIFICATIONS

- Ability to work in-person at Pohakuloa Training Area, HI.
- High school Diploma, GED, or equivalent
- Valid Commercial Driver's License Class A
- 2 Years experience with running and maintaining heavy equipment.
- Ability to work outdoors and perform strenuous labor under all weather conditions (e.g., heat and humidity, rain)
- Ability to lift up to 40 pounds repeatedly without assistance.
- Ability to follow directions, work collectively with others as a team, and maintain safe working standards.
- Proficient verbal and written English communication skills.

- The successful candidate must be legally authorized to work in the U.S. by proposed start date; CEMML will not provide visa sponsorship for this position.

Colorado State University (CSU) provides equal employment opportunities to all applicants for employment and prohibits discrimination and harassment of any type without regard to race, color, religion, age, sex, national origin, disability status, genetics, protected veteran status, sexual orientation, gender identity or expression, or any other characteristic protected by federal, state or local laws.

Colorado State University strives to provide a safe study, work, and living environment for its faculty, staff, volunteers and students. To support this environment and comply with applicable laws and regulations, CSU conducts background checks for the finalist before a final offer. The type of background check conducted varies by position and can include, but is not limited to, criminal history, sex offender registry, motor vehicle history, financial history, and/or education verification. Background checks will also be conducted when required by law or contract and when, in the discretion of the University, it is reasonable and prudent to do so.
